### **DC Choral Society Announces Official Sponsors of 2018-19 Season**

*Dawson Creek businesses and organizations sing out their support of DCCS*

November 15, 2018

DAWSON CREEK, BC — The Dawson Creek Choral Society is proud to announce its official sponsors of the 2018-19 Season. The local non-profit, now in its fifth year of operations, is sustained by a variety of revenue streams including member-funded registration fees, ticket sales, and support from BC Gaming. In order to continue to offer the quality of programming and engagement that the community has come to expect from the group, DCCS has turned to the business community and local service groups.

“We are so thrilled to have this outstanding level of support,” writes Artistic Director Caitlyn Triebel. “Our programs have experienced rapid growth in the last couple of years, and in order to keep our stick on the ice we’ve had to reach out to the community. The response has been incredible and it is great to be able to continue to grow our programs while maintaining accessibility for families.”

Current enrolment within the three streams of DCCS programming is at over 120 local families. “Many of the families that are members with us include multiple siblings and parents,” Triebel explains. “Music really is a lifelong activity and we couldn’t be more pleased that we can now accommodate infants through seniors in our programs.”

On behalf of the Rotary Club of Dawson Creek Sunrise, Sally Schilds notes that the “Sunrise Rotary Club has made a commitment to support the Arts in Dawson Creek and the DC Choral Society is the perfect vehicle to do this. We are proud to support programs that reach all age levels and encourage people of all abilities to explore the arts in a safe, welcoming atmosphere of community.”

The complete list of 2018-19 sponsors (to-date) is: **Big Time Haulers, Dawson Creek Co-Operative Union, Rotary Club of Dawson Creek Sunrise, C. Chandler Celtic Construction, Lake View Credit Union, South Peace Community Arts Council, DGS Astro Paving, ARC Resources, Dawson Creek Oilmen’s Association, Canadian Tire, Iron Relics, Legacy Car & Truck Wash, RE/MAX Dawson Creek Realty, and the City of Dawson Creek.**

*The Dawson Creek Choral Society is a non-profit organization providing music education opportunities in the South Peace region. Programs consist of Kindermusik® classes, community choirs, children’s musical theatre, and special event workshops. You can find DCCS performing several times throughout the year in the community and region. Find out more at [dcchoralsociety.org](http://dcchoralsociety.org)*
